LONDON FOR A SECULAR EUROPE

ITALIAN NATIONAL DEMONSTRATION AT THE SAME TIME

protect democracy and defend human rights

against the undemocratic influence of the VATICAN!

PROMOTE:

- real gender equality and women's rights
- the full citizenship of LGBT people in all the European Union
- the decriminalisation of homesexuality worldwide
- a secular European Union - immune to the Christian political agenda

REJECT:

- a committment of the EU to religious organisations (Lisbon treaty art. 16c)
- the special status of the Vatican in the United Nations
- State-funded faith schools in the United Kingdom
- the economic privileges and political influence of the Vatican in Italy

STOP THE VATICAN INTERFERENCES IN EUROPEAN POLITICS !
